Sparkenthusiasm Newsletter April Edition

We just organized and participated in our 12th annual Spanish Immersion Day with 125 area high school Spanish students and many phenomenal Spanish Teachers. The collaboration this day brings inspired us to start a monthly newsletter to share teaching ideas and resources with other dedicated Spanish Teachers. We plan to include new ideas, games, video links, music, and other resources in each newsletter. Please email us at sparkenthusiasm@gmail.com if you have ideas or resources to share.
