

Sparkenthusiasm Newsletter Early Autumn Edition

Now that we have all gotten a chance to get to know our students and review from the previous school year, we are beginning to learn so many exciting new vocabulary, grammar, and cultural concepts. Our Spanish 2 students have just started their pen pal writing unit that will allow them to apply all of the topics we are learning. Students will write about their classes, their likes/dislikes, their families, and their extracurricular activities. Here is the link for where to learn details about how we set up this wonderful communicative exchange of letters between our schools and other area schools. http://www.sparkenthusiasm.com/pen_pal_program.html

Here is a link that has both ideas for teaching the verbs Ser and Estar separately and for teaching the differences between the two. Great and fun ideas!

We also have added many videos that can be used to reinforce these vocabulary themes.
