The 33 is based on the true story of the 33 miners who were trapped in a copper and gold mine in Chile for 69 days while members of a rescue team worked tirelessly to try to save them. This movie shows the heroism and bravery of the miners, their families, Don Francisco, and the Chilean people. Antonio Banderas, Lou Diamond Phillips, and Kate del Castillo bring this beautiful movie to life brilliantly.

Check out all of the songs and videos on our site that complement this movie. http://www.sparkenthusiasm.com/los_33.html
