

## **\*\*ROSCA DE REYES\*\***

### **Ingredients:**

- 1 tiny plastic doll
- 1 box of angel food cake mix
- 1 package of assorted dried fruit

### **Directions:**

Cut up the dried fruit and sprinkle into prepared angel food cake mix. Pour into angel food cake pan, and bake according to instructions on the cake mix box. When cool, make a slit in the cake with a knife; this allows insertion of the tiny doll. Extra dried fruit or a simple glaze of powdered sugar and milk (or icing) will cover any evidence of the doll's location. Slice and serve.

*\*The person finding the doll in the cake must offer his or her home for a celebration on a set date or the next Three Kings' Day according to Mexican custom.*
